

# Hardik Tambe

## Fullstack Developer

Highly motivated and committed to continuous learning, I have earned certifications in Web Designing and React JS, and I have recently completed an immersive 6-month training program as a MERN stack developer at Nirvana Tech Labs, where I gained hands-on experience in building full-stack web applications.

## WORK EXPERIENCE

### Fullstack Trainee Nirvana Tech Labs

11/2023 - 04/2024

Bilimora, Gujarat

## PROJECTS/WORK

### Live Work During Trainee Period at Nirvana Tech Labs :-

- In node.js integrated Firebase push notifications for real-time updates and Integrated PhonePe payment gateway API for secure transactions.
- Implemented multiple endpoints in Node.js for CRUD operations in a quiz play application project.
- Utilized MongoDB aggregation queries for complex data analysis and reporting.
- Developed a news feed API to fetch data from external sources, enhancing user experience and engagement.

### Nirvana Tech Labs Website :- <https://nirvana-tech-labs.vercel.app>

- Developed company website during trainee using React, Node.js, Express, MongoDB. Built frontend, backend, and admin panel.
- Implemented login/logout functionality using JWT tokens for secure access to the admin panel.
- Implemented dynamic data fetching from the server and database for frontend content.
- Designed and implemented contact and career forms, with data successfully stored in MongoDB upon submission. Implemented multiple APIs for different routes.

### Ecommerce Website :- <https://shopper-mernstack.netlify.app>

- During my learning phase, I developed a comprehensive e-commerce website for men, women, and children's clothing. Using React, Node.js, Express, MongoDB.
- Built frontend, backend, and admin panel for products management.
- Implemented login/logout, login with Google, and dynamic add-to-cart functionality.
- Integrated PhonePe payment gateway using PhonePe testing API.

### Portfolio website :- <https://hardik-tambe-portfolio.netlify.app>

- Developed a personal frontend responsive portfolio website using React.js during my react.js certification course.
- Showcased a collection of latest projects to highlight skills and achievements.

## EDUCATION

### HSC

MBBI Junior College (Maharashtra Board)

### BscIT

N.B. Mehta College, Bordi (Mumbai University)

## SKILLS

Html

CSS

Bootstrap

Javascript

React Js

Node Js

Express Js

MongoDB

GitHub

## CERTIFICATES

### Web Desinging (03/2023 - 07/2023)

Virash Training Institute (Mira Road, Mumbai)

### React Js (07/2023 - 09/2023)

Virash Training Institute (Mira Road, Mumbai)

## BASIC SKILLS

### Computer Skills :-

Word, Excel, Vscod, Github, Netlify, Vercel.

### Problem-Solving Skills :-

Able to identify issues, analyze problems, and develop effective solutions.

### Time Management :-

Able to prioritize tasks, meet deadlines, and efficiently manage workload.

### Teamwork :-

capable to work collaboratively with others to achieve common goals

## LANGUAGES

### Hindi

Native or Bilingual Proficiency

### English

Professional Working Proficiency

### Gujarati

Native or Bilingual Proficiency

### Marathi

Limited Working Proficiency

## INTERESTS
